LIMITED SPACES AVAILABLE

Please join us in Tin City for a great day of vital and informative safety classes designed specifically for the wine, beer and distilling industries. The Taco lunch and beer tasting won't be bad either.

## CLASSES

### PRODUCTION FACILITY

**Fork Lift (2 hours)** Anyone operating a forklift in a beverage production facility is required by CalOSHA to be certified. Passing a written test and skills evaluation will get the operator forklift certified.

**Confined Space (1.5 hours)** This CalOSHA required annual training for anyone who works with the cleaning and/or maintenance of tanks or any other identified confined spaces located in the production facility. During this class, we will demonstrate the use of a respirator, CO2 monitors and hands on practice of rescue techniques will be featured.

**Lock out/tag out (LOTO) & production facility safety (1.5 hours)** This CalOSHA required annual training is for all production workers and covers the safe use, repair and servicing of powered equipment. This LOTO training will comply with the CalOSHA "Authorized Employee Requirements". In addition, we will review other production facility safety issues including slip and fall hazards as well as chemical handling.

### TASTING ROOM & MANAGEMENT

**First Aid/CPR (2 hours)** Course follows current Red Cross curriculum for First Aid and CPR. We will cover basic First Aid and CPR techniques to stabilize an injured worker for first responders. Participants will receive a certification card valid for two years from the American Red Cross.

**Responsible alcohol server (2 hours)** This training will enhance the fundamental people skills of servers alcoholic beverages. Tasting room personnel who participate in this training will be able to spot underage drinkers to prevent sales to minors, recognize the signs of intoxication, effectively intervene to prevent problem situations and handle refusal situations with greater confidence.

**Sexual harassment (2 hours)** This training complies with California's required awareness training under the sexual harassment and abusive conduct regulations. Please note, this course meets the minimum two-hour management course and is designed for those in the workforce who manage employees.
